

# Specialty Human Services Risk Resources Portal

Your Risk Resources Portal offers helpful risk management resources on topics tailored to the risk nonprofit and social service organizations face. This resource offers policyholders access to a library of guides and checklists, value-added resources, virtual learning and an interactive risk assessment tool, My Risk Assessment.

## 1 Technical Resources:

Announcements, Checklists, Guides, Risk Management Shorts, Sample Plans, Sample Policies and Waivers.

## 2 Virtual Learning:

Upcoming webinar registration, access to the SHS Learning Management System, recorded webinars and safety videos.

What are the signs and symptoms of heat exhaustion?

What are the three types of inspections playgrounds need?

### 3 Document Library:

Complete list of all documents and resources available through Specialty Human Services Risk Management, Great American Corporate Loss Control and other relevant external resources. These documents are intended to aid and support your organization in learning more about potential hazards and how to help control them.

What signs should be placed around your pool?

### 4 Value-Added Services:

- Praesidium - Expert Abuse Prevention and Response Solutions
- Intellicorp - Discounted Background Checks
- SafetyFirst - Driver Monitoring
- Nonprofit Risk Management Center
- eRiskHub - Virtual Defense Resources
- Security Scorecard - Understanding Your Cyber Risk
- StopIt - Anonymous Bully Reporting App
- CBOND - Discounted Glass Strengthening and Virus Eliminating Nanotechnology
- Visitu - Visitor Management Software

### 5 My Risk Assessment:

A self-assessment of your special event risks, employment practices, facilities and more!

#### FAQs:

##### How many members of my team can access the site?

All GAIG-Specialty Human Services policyholders may use this site.

##### Can I use these resources on my own site or in my own training?

Yes. Content can be shared and distributed.

#### To Get Started:

1. Navigate to SpecialtyHumanServices.com and select the Risk Resources Portal.
2. Login with your username and password or complete the registration fields to register.

Now you are ready to use the Specialty Human Services Risk Resources Portal!
